- Time was spent brainstorming potential activities. Ideas included:
 - Storytelling
 - Trivia
 - Lawn games

- Potential sponsors are needed to help defray the cost of the event. Both businesses and individuals may be interested in helping the library as sponsors.
- A fifty-fifty and a silent auction could also be part of the event.
- August 27th or 28th was suggested as a possible date for the event.

Brooks BBQ

- Don suggested that the library should explore a fundraising event by partnering with Brooks BBQ. He will contact the company to learn more details about the process.

A date was not set for the next meeting. At the next board meeting we will arrange a day and time to meet again.
